Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Saturday 07 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers affecting many areas again on Sunday.

This Evening and Tonight:
Evening showers, some heavy and thundery, gradually becoming increasingly confined to the north and west overnight. Some heavy rain possible at times over parts of Scotland and northwest England during the night.

Sunday:
Another unsettled, showery day with heavy showers affecting many areas again, some perhaps thundery. Heaviest showers probably over Scotland. Some sunny spells too, and breezy.

Outlook for Monday to Wednesday:
Heavy showers and isolated thunderstorms Monday, though these easing from the west later. Drier Tuesday, with the odd heavy shower in the east. Rain into the west Wednesday; drier elsewhere.
